City of Wilsonville Police

November 2019

A life was saved on Sunday, November 24 when officers responded to a 9-1-1 call regarding a citizen who had overdosed on heroin. Deputies Ben Wiley and Josh Eagle arrived in under one minute, located the unconscious person, and after quickly assessing what had happened, administered NARCAN, a nasal spray used in cases of opioid overdose.

The patient was transported immediately to an area-hospital and expected to make a full recovery.

All Clackamas County deputies and officers carry doses of nasal NARCAN.

Deputy Van Wormer, the Traffic Car officer for Wilsonville Police, along with members from local agencies and ODOT, executed an operation on November 13 that targeted unlicensed moving companies. During the past year, we've taken reports from several residents who had property damaged or stolen by unlicensed companies, or extra money demanded of them before their possessions were handed over. Citations issued as a result of this enforcement included failure to obtain a commercial transportation certificate, driving uninsured, expired registrations, and drug possession.

On November 15, Wilsonville Police responded to a homicide on SW Boberg Rd, at Heritage Specialty Foods. The suspect, Camilo Santiago Santiago, was quickly identified and tracked to a neighboring community, where he was arrested and taken into custody. He was charged with Murder and Felon in Possession of a Firearm.

We appreciate the many area-agencies that helped where needed on scene, interviewing witnesses, or gathering information. Our thoughts are with the victim's, Carl Helinger, family, friends, and coworkers. Our lead on this case is Detective Corey Alexander.
