

**CITY OF WILSONVILLE
PHOTO POLICY NOTICE**

**WILSONVILLE LIBRARY
WILSONVILLE PARKS**

Please take notice that in the course of the daily operations of our City parks and our library, both children and adults visiting the library or parks may be photographed by various City staff members or volunteers (and occasionally the news media) as they use and enjoy the facilities. These photographs may be used without compensation on the City website or our social media sites, may be published in the Boones Ferry Messenger or other City publications, and may even occasionally appear in the local newspaper or other news media. Those who do not want to have their photograph taken should notify library or park staff, or the person taking the photo, and the City will honor that request. If a photo is taken, no names will be used to identify the person(s) in the photograph unless written permission is given by the person to publish his/her name.

City staff will make an effort to let people know when City sanctioned photos are going to be taken so that anyone who does not wish to be in the photograph can move out of the camera's view. If, despite these efforts, any person finds a photo of himself/herself or his/her minor children posted on the City website or social media pages, the City will remove the photo upon request.

Any person with questions about this policy can contact the City's Community Relations Director by calling 503-570-1502 or sending an email to gail@ci.wilsonville.or.us
