

**Notice of intent to award- Purchase of Four CNG Cutaway Buses**

Upon review of two proposals, and the scoring of those proposals by an internal RFP scoring committee, the proposal submitted by NW Bus Sales has been selected as the proposal providing the best value to the City.

At the June 5, 2023 meeting of the Wilsonville City Council, we intend to recommend the City Council accept the bid, and enter into a contract with NW Bus Sales to provide the vehicles for this procurement.
